### PROFILE

I am an honest, punctual and reliable worker who loves using unconventional materials, and is always up for learning new approaches as well as understanding how to work with different constituent elements. I am very adaptable and am used to a hardworking and fast-paced environment. In my opinion, I am an extremely motivated and driven person with high aspirations in life. I get along with anyone and I have the capability to take my own initiative as well as work as part of a team.
